My name is Francesco and I'm 21 years old. I'm a student at Parma University, where I study engineering. My father works in a bank and my mother is a housewife. I have a sister, whose name is Giulia. She's 19, and she's in her last year of high school. I like most kinds of food, especially pizza and pasta, but I don't like vegetables. In my free time I enjoy playing football and tennis, and swimming. I sometimes go to the gym. In the summer I like going to the beach with my friends. I like films, and I often go to the cinema with my girlfriend. Last summer I went to Ibiza with my friends. We had a great time. When I graduate I'd like to find a job in a company near La Spezia.
